

HV358TX

3.5" SATA Mobile Video HDD Plus

Introduction

The new HV358TX will support high definition video output (up-scaling to 1080I) for better picture quality and standard 3.5" SATA HDD for the ever-increasing storage demand for digital contents.

The HV358TX, when connected to a PC, is just like a USB 2.0 external hard drive. Users can manage the contents easily with a PC. The internal hard drive can be formatted to either NTFS or FAT32. User can create folders to store home video, music, or photos on the internal hard disk with a PC, and then immediately playback the contents on TV.

The HV358TX, like its precedent HV356T featuring the most powerful DivX external subtitle support. Plus, the complete DVD menu support, photo viewer with thumbnail preview, enhanced private folder utility, and newly added playlist all makes it the best choice for building the consumer's digital home theater system.

Feature Highlights

- Download video through PC and immediately playback on TV
- HDMI Connection
- Video Up-scaling to 1080i
- Digital photo @ HD resolution
- Play DVD folder
- Support complete DVD function including DVD menu
- Create playlists with your computer
- Digital photo viewer with thumbnail preview
- Music Slideshow
- The most powerful **Xvid** subtitle display feature
- Supports both **FAT32** and **NTFS** file systems

Specifications

Standard	HV358TX: USB 2.0 multimedia HDD
Drive Type	3.5" SATA hard drive
File System	NTFS / FAT32
Interface	USB 2.0
O/S	Windows Vista/XP / 2000 / Me / 98SE / Mac OS 10.2
Media Type	MPEG-1, MPEG-2, Xvid, JPEG, MP3, WAV, WMA, OGG
File Extension	dat, mpg, mpe, mpeg, vob, m2p, avi, xvid, jpg, jpe, jpeg, mp3, wav, wma, ogg
DVD Folder	DVD Menu/Audio/Subtitle/Angle Selection
Content resolution	Video 720 x 576 pixels JPEG 5120 x 3840 pixels (baseline) MP3 320kbps IDX/SUB 480i / 576i / 480p / 576p
DivX Subtitle Format	IDX / SUB, SRT, ASS, SSA, SUB (type II), SMI, PSB
TV Standard	NTSC / PAL
Screen Ratio	4:3 / 16:9
HDMI/Component Video Output	NTSC-480i/480p / PAL-576i/576p /720P(50/60Hz)/1080I(50/60Hz)
DAC	Video: 10bit / 54MHz Audio: 24bit / 192KHz
Power Supply Rating	AC adapter: Input 100~240V 50/60Hz Output DC 12V, 2A
Dimensions	196 (L) x 58 (W) x 126 (H) mm
Weight	390 g (13.72 oz) Approx. w/o HDD

Connector	USB 2.0 port x 1
	HDMI connector x 1
	Composite video and stereo audio out jack x 1 (diameter: Ø3.5, composite cable included)
	Component video jack (Y/Pb/Pr) x 1 (diameter: Ø3.5, component video cable included)
	SCART connector
	Coaxial digital audio connector
	Power jack
